**Subject:** Appreciation for Air Balancing and Duct Sealing Works at Gulf Hotel Project

Dear Mr. Kapil Chandersen,

**Greetings from Almoayyed International Group!**

We would like to take this opportunity to extend our sincere appreciation for the successful execution of the *air balancing and duct sealing work* at the Gulf Hotel project. Your team's professionalism, technical expertise, and commitment to quality were clear throughout the project.

We are pleased to acknowledge that the scope was carried out efficiently and all activities were completed to our satisfaction and within the agreed timeline. The coordination and responsiveness demonstrated by your team significantly contributed to the seamless and successful completion of the work.

Your dedication to delivering high standards of service and ensuring full compliance with project requirements has been truly commendable. We greatly value our collaboration and look forward to working with **ADTECH TECHNOLOGIES** on future projects.

Thank you once again for your support and outstanding contribution.

Best regards,

Ravi Shankar Loganathan  
Division Manager
